

OUR FAVORITE VENDORS

Now that you've chosen the right venue for you and your fiancé, it is just as important to choose the right vendors to complete your wedding vision! There are many qualified dj's, photographers and florists in the industry, however the best vendors are those that know all the elements of your venue inside and out. The Oceanview of Nahant is committed to bringing you the Cadillac of vendors; those that are part of our family and appreciate the dedication we have to providing nothing but the best for such an important day in your lives. We pride ourselves on taking a "boutique style" approach to our vendors and in most cases only recommend one vendor in some categories because we feel this yields consistency, familiarity and an extra effort on our vendors side to continue delivering 150%. Because we work so often with these vendors, you can be assured that we have your wedding day timeline, delivery and performance down to complete excellence. **And please know:** If you already have selected another vendor not listed on this page, rest assured we look forward to having them on property and giving them a warm Oceanview of Nahant welcome!
